

Run for Duchenne Muscular Dystrophy (DMD) on 4th September 2016 at Cubbon Park, Bangalore.

The Director of the Centre for Health Ecologies and Technology, Dr. Vijay Chandru, and the Director of IIACD, Prof. Uma V. Chandru, participated in and supported the Run for Duchenne Muscular Dystrophy (DMD) on 4th September 2016 at Cubbon Park, Bangalore. The event was organized by DART (Dystrophy Annihilation Research Trust) as part of its week-long initiative for Dystrophy Awareness Week till 11th September 2016.

Dr. Vijay Chandru and Uma Chandru also raised funds to the tune of INR 25,000 to support the medical needs of 5 children with DMD.
